Missed
lastly.
I'm Akemi's
brother.

You want
to be my
master?

This is my
"master."
Akemi Kurosaki.

He's younger
than I thought
he'd be...

... And he's
kinda
cute.

So that's
how I
ended up
at the
Kurosaki's...
...AND MET
MY MASTER.

But then, how do you plan to go to school and work at the same time?

Go home.

You're kidding, Akane!!

Always a brat.

Don't worry! You just get better! I promise! I won't let you down!

Oh?

Are you sure? Making one can be very difficult.

Because what we're making is...
BREAD!!

So I remember my old man who only said "BREAD!!" food.

Who the hell could he think we're off?

I know.

— I am so it.

You said your name is Akane?

How did you go?

Grumpy... I mean, Akane, happy? me a lot —

— so I can make you too exactly the way she does.

Huh?

I'm...
alright.
I'm a student in high school.

Then along home.

I know I am.

Picks... and demanding?

I've been because you're so picky and demanding!

You'll only drink my grandma's tea!

How do you become who I am?

I'm Akane's employer.

Wahaaa!!

Hee~

You look
very pretty

Jess!
He's married,
man or not!

The other
males will
notice you
what to do

In that case,
a job is
you?

But I think
you'll be
good for
a laugh,
at least!

I don't expect
you to master
Adam's skill

How I
love!

If still you
has time to
read and get
better.

I won't
go to
school.

What sort?

I'll take
time off

Very
well!

Since
you're so
determined...

—you can
work in
Adam's
place

What?

A
what?

you'll wear
a maid's
uniform like
the rest

But what
you do...

Sorry,
I can't help
temporarily

Don't

How do
you plan
to fill in for
Adam? If you
can't leave
to go to
school?

She worked
from morning
till night.
Can you work
the same
hours?

Mr. Akagi said that's his office now.

To meet at house, he'd be so late. The business.

Let's get to work.

Can you please the business building?

There!

SQUAM.

But... it doesn't change what I think of him. He's still... something.

カッパ TMP

Oh, he already passed his high school self exams.

So he's not required to attend anymore.

After the business passed away, he had to take over the family business.

He's young, but he's already become a very good business man.

Ahhh!

Don't worry about it. You look good in that!

Enough about the outfit already!

I'm definitely here to meet you!

Mr. Akagi can be a bit mean sometimes.

Oh, I'm sorry.

He's so nervous.

Oh, but he's only a student.

Shouldn't he be more mature?

What a certified trait!

He's always in a bad mood when he doesn't have Akagi's tea.

I'm glad that you're here! I will not be here about Akagi.

He's Mr. Akagi's favorite maid, after all!

What didn't Granny tell me?

What? He's not that bad, is he?

Is he a member too, then?

Go home and study!

OK, OK.

But...

There are still...
...ten minutes left for waiting hours.

It's so
lonely here.

But
nobody's...
... home.

My only
study is in
the hallway.

He
wasn't here.

I finished
studying the
textbook.

Don't be
so hard
on
yourself.

You're not
that smart
and you're
already
behind in
your studies.

Are you
sure
about
that?

Um...
I kind
of...

...but no
choice.

I had to
choose them
that I was
disposed.

And why
do you

...care
about
him so
much,
anyway?

Did you
mean it
when you
said...

He won't
really
disappear if
you let
go of
him?

It's getting
late.

Time for
you to
go home,
Machii.

What?

You
weren't
understand.

...want
to drop
out of school?

Do
you...

That's
none
of your
business.

But...
why does it
feel like
that?

You're so
wild. Don't
concern
yourself
about it.

And stop
asking me
questions!

What's with
the attitude?!

Get
back to
work!

What?

What?

He's so
irritating!

Well,
they're
Pirates...

They're
not
here.

Hey,
there are
tutorbooks.

I thought
you didn't
go to
school.

What are
tutor books
here?

But
then my
parents
died...

...and I had to
take over the
business.

So I don't
have time for
homework
any more.

I got them
when I
started high
school.

What's her name?

Mouji...

Just finished
dressing herself
to sleep.

I'm done
with work
today.
So right
now, I'm not
your maid!

Where have
you been?
You left your
little brother
all alone!

Is your
head
strong
enough?

I didn't
tell you
to work
that late.

Without
someone...

...I know how
lonely it can
get at home.

I'll stay
with you.

You want
to stay
with me?
Right?

We can
build
models
together.

OK?

Again it...

That's
right.

I forgot
that he's
your
brother.

...I'm only
family...

You only
have
Mouji.

Like I
only have
dinner.

Mouji's in
the same
boat as me.

What Akemi's face is the signal...

you're losing control of home.

That's why you worry about Mom! Because you can't comprehend.

Do you know how much money that's taking forever!

to - spending time with you?

That's even worse!

That's not good enough!

Hop, wait!

I don't like it! I'll make it up to him.

It wasn't worth.

More.

Scarf!

Akemi told me...

you don't like to be alone!

Yes!

I just visited her.

Akemi told you that?!

What?!

Do you know how lonely he gets?

You're all for it, right?!

Are you saying that?

Because you feel the same way?

So there will always be someone around

Even tonight...

...you'll stay home, instead of coming up.

Even though they're not your family, it's no better than having none.

...but what if you were so late

You did all that for me?

So...

He couldn't go to school anymore, so he wants me to stop

TH-THUMP

TH-THUMP

TH-THUMP

What? Do we just accept?

Man, he wouldn't tell us at all

TH-THUMP

You're not paying for it

I did it so Akane and I could have some money.

You can't do that! We don't have that kind of money!

And I...

...and how much to a private school with my own money.

What?

Akane's worried...

...but you'll fall too far behind in your studies

What?

They're in your new room

What?

Want to be the school and accept your request for this off

And I brought some of your things from your house

You need to go back to school

One more thing.

I changed your draft. You work afterwards and evenings from now on

Your face was burning.

You were making me nervous.

I should just be happy!

That's a relief, Thorton.

Well...

That's OK.

I'll keep wearing it.

And...

...you don't need to wear that anymore, alright?

Perfuming is pulled in the ball, so the flavor's strong.

I made it a little weaker than usual.

CLINT

Thank you for the compliment!

Stop trying to be polite.

and stop calling me "Uncle".

Not bad.

Good morning...

... Mr. Asagi.

Don't
Don't
Oh,
not

I'm
gonna
be late!

DASH
DASH

We're
gonna
go to the
kitchen
now!

Hey,
wait!
Are you
leaving
now?

Sorry,
I can't

I work...
...in a
Mansion...

I've got
work.

...I'm
going to
my
cousin's...

...and
in the
house...

See
you!

Excuse...

...I'm
your
maid.

You
don't
have

I'll keep
looking
for
you.

That

I'll not
forget!
♥

Hey,
don't be
like that!

Get
yourself

I made
you an
especially
fine-looking
tea today

Welcome
home.

...Ange!

Oh...

Not
bad.

Oh,
yeah

Try
this
on

That's what
I decided to
be the best
maid I can be
for him

What
is it?

It's your new

In

...all we
can say?

At first, I
thought he
was a jerk.

But then I
found out

What

I do

I have

I'm a guy
I'm
supposed
to do
practical

I'm saying,

I landed

Maybe the

made me

What?

What's

What do you
mean?

I can't
leave you
like this
when you've
hurt!

Get

You jumped
from a second

You could've
hurt yourself
really badly.

I said it earlier.
I thought it

That's not enough. He doesn't have parents.

See, that's just it.

But I thought I was taking care of Mitsuo.

You should spend more time with him...

...instead of letting me

What do you think?

I see.

You always come home late.

Even on weekends, you work all day.

I think Mitsuo's feeling lonely.

He must feel like I'm stealing him away from him.

You cheated on me!

Yes... No, yes?

Do you wanna always with me tonight?

It's all your fault, Mitsuo.

Yes?

That's...

all.

This is what I think.

Anyway...

This must be a boring thing to...

You two were in the same bed, in my own house!

We're not fighting.

That's not true at all!

The reason is

Hey, don't fight!

Hey.

What's wrong, Akito?

What's the matter?

You can tell me anything.

We haven't spent any time together since the fight.

But I'm the one who told him to spend more time with Akito.

You can count on me, Sir

You don't know how to play with your little brother?

You just need to talk to him. Babies like that.

Don't worry.

After he gets older, you can play catch together.

Like that?

I guess so.

That's right. Like this.

Back then, my mother was busy with work.

He was to your new brother, OK?

I didn't know how to play with him.

Mom was a lot younger than me.

Sounds like he's giving you a hard time.

I didn't mean to.

How to meet him, Mr. Asagiri. I'm the brother's son.

I did break a lot of stuff.

It's OK.

Before he was our father, he used to play catch with me.

Very nervous about his job, but he's a good man.
